

## TEXAS HOLD'EM POKER 3D

---

Texas Hold'em Poker 3D - is a unique project from Evoplay Entertainment! Thanks to the new approach to the creation of the game, the player will be able not only to play Texas Hold'em against the dealer, but also to fully feel like a real cowboy, enjoy the atmosphere of a western, visit the Wild Wild West.

For convenience, you can change position of the camera for watching the game from a convenient angle. And also, the player is given a greater freedom in choosing actions, which makes it possible to think over the strategy of the game well.

Simple rules, classic combinations, and atmospheric gameplay - that's what you need to have a good leisure time.
