

## TRIPLE CHILI

---

Triple Chili is an extraordinary classic slot from Evoplay - a game that challenges established views, offers players unprecedented scope, and a lot of hot experience.

The slot machine and symbol design are inspired by the Mayan and Aztec cultures. The symbols are three peppers engulfed in flames, corn, strawberries, lime and other fruits brought from the New World. But the most important symbol is the pyramid with the Wild inscription, which can substitute for other symbols in winning combinations.

There are 5 reels and as many as 8 rows in the game, which easily fit 60 paylines. Every spin is filled with fiery animations and magical sounds. It promises players a grand culmination in the form of the maximum win - x6000!

Connoisseurs of the classics should play Triple Chili. In this game, the chances of big winnings are as high as the local reels.
