

VIDEO POKER

Experience the classic allure of Jacks or Better Video Poker, a game that harkens back to the roots of casino entertainment. As the virtual cards are dealt, the tension in the room mounts and your pulse quickens with each decision. Will you hold onto that pair of tens or chase the elusive Royal Flush? With every calculated choice, you inch closer to unlocking more impressive combinations hidden within those digital cards.

The ambience is one of timeless elegance, reminiscent of vintage casino floors, with a touch of modern sophistication. It is a captivating dance of strategy and luck where 52 cards take centre stage, building anticipation with each press of the buttons.

VIDEO POKER

Game Features

HANDS

In this Video Poker you can play up to 5 hands at the same time. The more active hands, the higher the chances of getting a winning combination.

AUTO HOLD

If the Auto Hold mode is activated, the winning card combination will be held automatically after dealing. During this mode players can use Autoplay.
