

BONUS BUY

## WEALTH BELLS 40

---

Let the reels glow with heat, bells swing through the fire, and coins flash between classic symbols. In Wealth Bells 40, with stacked symbols appearing one after another, the same icon can take over the reels and turn a single moment into a screen full of wins across all 40 lines.

The game hides many surprises. Wild, Scatter and Bonus symbols each bring their own tension to the spin, while the Bonus game opens the way to four fixed jackpots waiting behind the flames. It is a familiar fruit slot at heart, but with more build-up, more pressure and more chances for the reels to suddenly fall perfectly into place!

## Game Features

### WILD SYMBOL

The Wild substitutes for all symbols in the winning combinations except for Scatter and Bonus symbols.

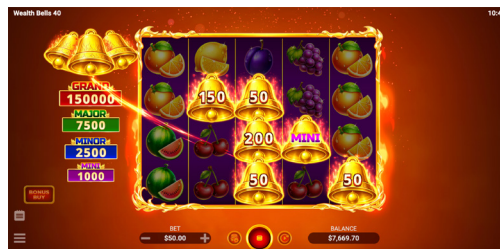

### SCATTER SYMBOL

A combination of Scatter symbols is formed regardless of their position on the reels. This symbol appears only in the main game.

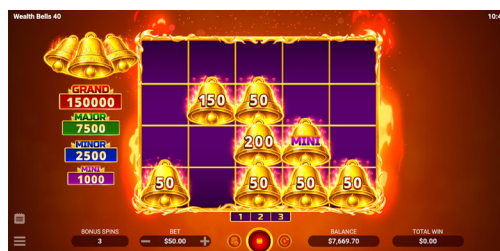

### BONUS SYMBOL

6 or more Bonus symbols trigger the Bonus game. All Bonus symbols have random values and 3 jackpots: Mini, Minor and Major. Bonus rewards can be collected in the Bonus game only.

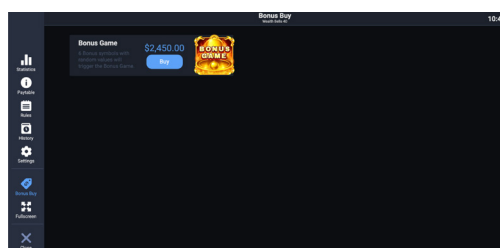

### BONUS GAME

During the Bonus game, only Bonus symbols and empty spaces can land. The Bonus game starts with 3 spins. Each new symbol resets the count to 3. All Bonus symbols stick to their positions. The Bonus game stops after all spins are used or when Bonus symbols fill all the reels, and the Grand Jackpot will be triggered!

### BONUS BUY

The Bonus Buy feature allows you to purchase and instantly trigger Bonus game.

## Game Summary
